#### POINT TO POINTERS

Owners should contact Michael Gibbon (Master) on 01656 890257 or Clare Roberts (Hon Sec) on 01446 760957 to acquire a qualification certificate for each horse that they wish to race. The MFHA has introduced a "Centralised system for the 2018/2019 season. The total cost of the certificate will be approximately £260 payable to the Point to Point Authority (PPA), £160 of this is now a standardised subscription for each horse at every hunt within the UK and will be reimbursed to the hunt that issues the certificate. We welcome point to pointers to hunt but insist that only the named horse be hunted.
